Mr. Peck and Mr. Newman:

Thank you so much for your time on the phone today.

We rushed to get a story up today on our website, knowing that you'll continue to get great national and international coverage on the topic.

Here's a link to the story:

Best of luck on your research. I know several archivists in town who will be most interested in reading the full text when it's published (thanks, Mr. Peck, for the advance copy).

Regards,
Diana
